

How to find us

Welcome to Queenstown's most popular visitor attraction!

The Skyline complex offers the most breathtaking views in the region, spread out in a spectacular 220 degree panorama, taking in views of Coronet Peak, The Remarkables mountain range and across Lake Wakatipu to Cecil and Walter Peaks. It's truly magnificent and awe-inspiring!

Dine in style, grab a coffee or take in the show

Of course there's more to do than just admire the view! Enjoy a sumptuous dinner or lunch in the **Skyline Restaurant**, serving up a Taste of New Zealand buffet of legendary proportions.

Or sit back, relax in the bar and take in the views. Plus there's casual dining available during the day in the **Skyline Cafe**.

Add a touch of New Zealand's indigenous culture with the live maori performance - **Kiwi Haka** - an authentic and powerful experience.

And what's a holiday without a spot of shopping at the **Skyline Souvenir Shop**, or simply browse the many informative panels and historic photo collection.

Adventure, Action and Fun

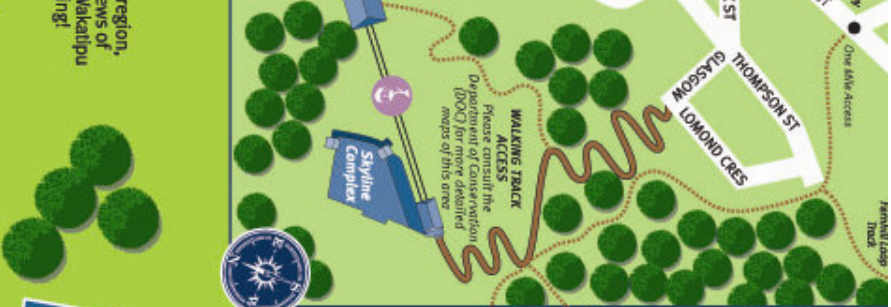

Thrillseekers will find plenty to keep them busy too.

Hurtle down the newly renovated **Skyline Luge** - it's the fastest fun on wheels! You have the choice of 2 exciting contoured tracks with banked corners, fast straights and the occasional big dipper!

There's also the challenge of the world famous **Al Hackett's Ledge Bungy or Swing**, or take off on a **Tandem Paraglide flight** and fly back to Queenstown.

If you feel like a more relaxed activity check out the **Map** on the reverse and explore the picturesque **Loop Track** with its informative **Viewing Frames** giving a unique insight into this historic region.

With **Skyline Gondola, Restaurant and Luge** there really is something for everyone!
